**Perennial**

**8" - 16" Tall**

**8" - 16" Wide**

**Bloom Time:  
Summer**

**4 + Hours**

**Zones 4 - 8**

Blanket Flower is a vibrant, sun-loving perennial known for its bold, warm-toned blooms and carefree temperament. Throughout summer and often well into fall, it produces daisy-like flowers in fiery shades of red, orange, and yellow, sometimes with striking bicolor or banded patterns that create a glowing, sunset-inspired effect. Its bright blooms sit atop wiry, upright stems above soft, gray-green foliage, giving the plant a lively, airy presence in the garden.
