

# Bevan's Bigroot Geranium

(*Geranium macrorrhizum* 'Bevan's Variety')

**Perennial**

**8" - 12" Tall**

**18" - 24" Wide**

**Bloom Time:  
Summer**

**4 + Hours**

**Zones 2 - 9**

Bevan's Bigroot Geranium is a robust, low-growing perennial that serves as an excellent ground cover. In late spring to early summer, it produces clusters of small, five-petaled, magenta-pink flowers that attract pollinators such as bees and butterflies. Renowned for its dense foliage and ability to suppress weeds, this hardy plant features aromatic, deeply lobed, and slightly fuzzy green leaves that turn vibrant shades of red and bronze in the fall.
