

Rozanne Geranium

(*Geranium* 'Gerwat' USPP12175)

Perennial

1' - 1.5' Tall

1' - 2' Wide

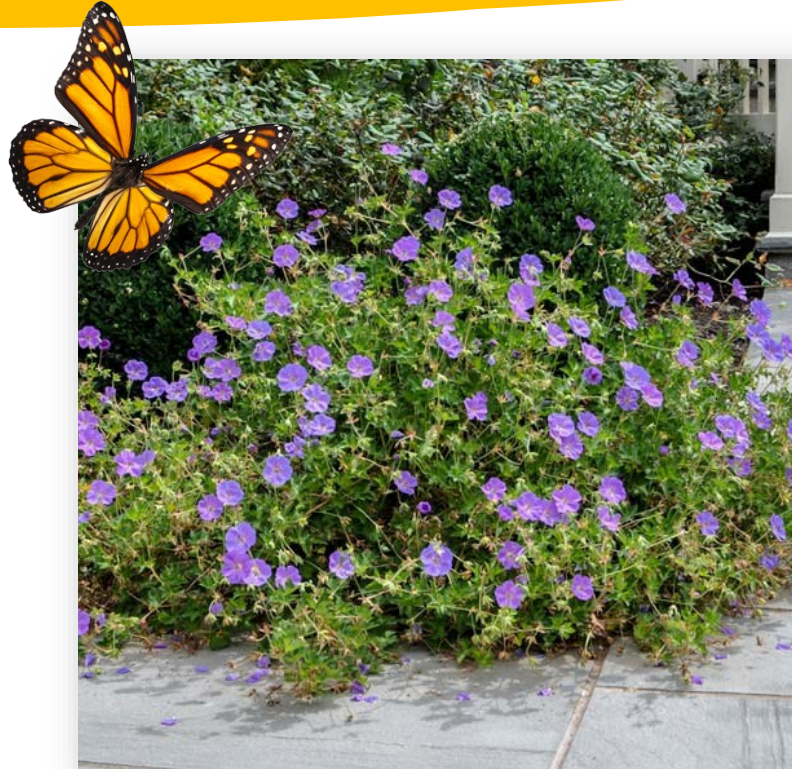

**Bloom Time:
Summer**

4 + Hours

Zones 5 - 9

Rozanne Geranium is a beautiful purple flowering perennial that also offers great drought tolerance. It can be planted in mass as a groundcover, or it can be used in borders. The violet-blue flowers contrast admirably with brighter blooming perennials such as Daylilies, Coreopsis, Shasta Daisies, or Blanket Flowers.
