

Northern Acclaim[®] Honeylocust

(Gleditsia triacanthos 'Harve')

Ornamental Tree

40' - 45' High

30' - 35' Spread

**Growth
Moderate**

4 + Hours

**Thornless
Seedless**

Zone 3 - 6

The Northern Acclaim[®] Honeylocust boasts an exquisite display of finely divided, fern-like leaves. This is a thornless and seedless variety of Honeylocust. The fern like foliage turns a vibrant yellow in the fall. A great tree to add fall color and diversity to the yard.
