

HayDay™ Orange Sneezeweed

(*Helenium autumnale* 'HayDay Orange')

Perennial

14" - 18" Tall

14" - 18" Wide

**Bloom Time:
Summer**

4 + Hours

Zones 5 - 9

HayDay™ Orange Sneezeweed is a vibrant, compact perennial that brings a fiery burst of late-summer color to the landscape. Its tidy, well-branched habit becomes covered in masses of daisy-like blooms, each featuring warm orange petals brushed with golden tones and a prominent, chocolate-brown cone at the center.
