

# Burning Hearts False Sunflower

(*Heliopsis helianthoides* 'Burning Hearts')

**Perennial**

**3' - 4' Tall**

**1' - 2' Wide**

**Bloom Time:  
Summer**

**4 + Hours**

**Zones 3 - 9**

The Burning Hearts False Sunflower is distinguished by its deep red stems and dark green, serrated foliage, which provides a dramatic contrast to its bright flowers. The blooms, which appear from midsummer to early fall, are a stunning blend of golden-yellow petals with dark red centers.
