

Lenten Rose (Helleborus)

Perennial

18" - 24" Tall

24" - 30" Wide

**Bloom Time:
Spring**

Lenten Rose (Helleborus) a cherished perennial, is a beacon of beauty in early spring gardens, often blooming when few other plants dare to emerge. This shade-loving plant features elegant, nodding, cup-shaped flowers in a captivating range of colors, including shades of white, pink, purple, and even speckled or bi-colored varieties.
