# Fiji™ Althea

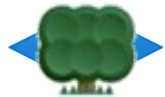

(*Hibiscus syriacus* 'Minspot' USPP25385)

**Shrub**

**5' - 8' High**

**4' - 7' Spread**

**4 + Hours**

**Reblooming  
Flowers**

**Zone 5 - 8**

Fiji Althea is a tropical looking shrub with gorgeous flowers. The white blooms with red centers start flowering in the summer and rebloom until fall. A great shrub to add a tropical look to the landscape.
