

# Lucy Althea Tree

(*Hibiscus syriacus* 'Lucy')

**Ornamental Tree**

**8' - 10' High**

**6' - 8' Spread**

**Growth  
Slow**

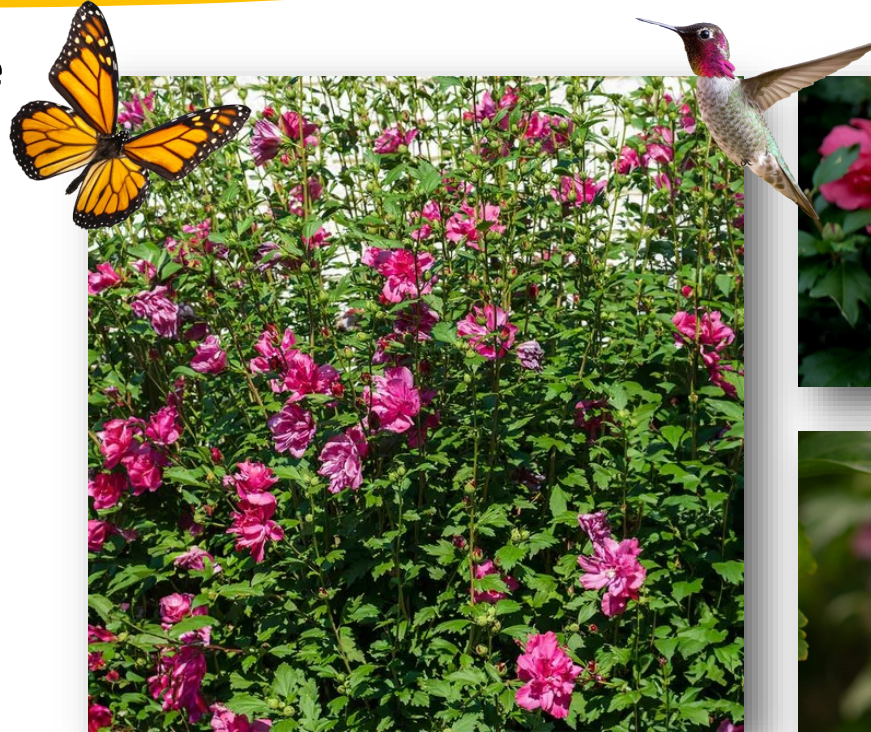

**4 + Hours**

**Double Flowers  
Tropical Look**

**Zone 5 - 9**

Lucy Althea Tree is a bold, summer-flowering ornamental shrub or small tree known for its rich, fully double blooms and reliable garden performance. From mid-summer into early fall, Lucy produces an abundance of showy, double rosy-red to deep pink flowers that line the stems and provide weeks of vibrant color while attracting butterflies and other pollinators.
