Shrub

3' - 4' High

3' - 4' Spread

4 + Hours

**Compact Size
Tropical Look**

Zone 5 - 9

Pollypetite® Althea is a compact shrub celebrated for its long-lasting summer blooms and tidy, garden-friendly habit. From midsummer into early fall, it produces an abundance of small, single, hibiscus-like flowers in vibrant shades of pink, creating a cheerful and colorful display that attracts pollinators.
