

Red Pillar® Althea

(*Hibiscus syriacus* 'GFNHSRP' USPP35332)

Shrub

10' - 16' High

4' - 5' Spread

4 + Hours

Prolific Bloomer
Tropical Look

Zone 5 - 9

Red Pillar® Althea is a striking deciduous shrub celebrated for its slender, upright growth habit, making it ideal for compact spaces or as a vertical accent in the landscape. This ornamental plant produces a stunning display of vibrant, single red blooms with a dark maroon center from midsummer to early autumn.
