

# Eclipse® Hydrangea

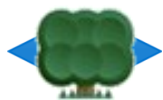

(*Hydrangea macrophylla* 'Bailmacseven' USPP34544)

**Shrub**

**3' - 5' High**

**3' - 5' Spread**

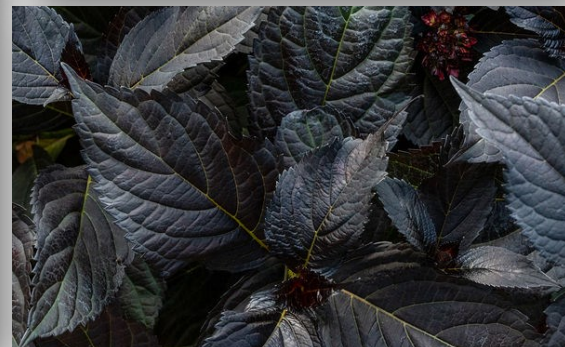

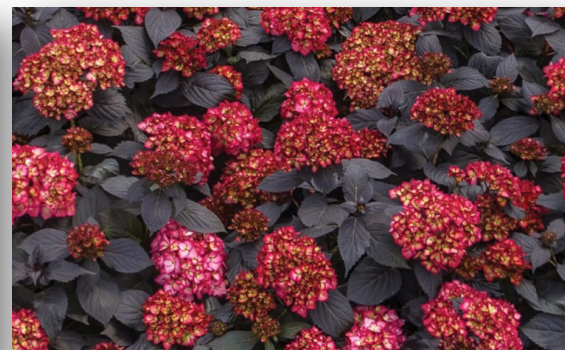

**0 - 4 Hours**

**Dark Foliage  
Bright Flowers**

**Zone 5 - 9**

Eclipse® Hydrangea is the first dark-leaf hydrangea with mophead flowers. Flowers form on the shrub in the summer providing excellent contrast with the dark foliage. Eclipse® hydrangeas grown in alkaline soils will have cranberry flowers, while those grown in acidic soils will have amethyst flowers. **We recommend wrapping Hydrangea Macrophylla varieties with burlap in the winter.**
