

Flowerfull™ Smooth Hydrangea

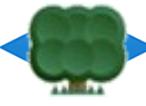

(*Hydrangea arborescens* 'BAIful' USPP35613)

Shrub

3' - 4' High

4' - 5' Spread

0 - 4 Hours

**Sturdy Stems
White Flowers**

Zone 3 - 8

The Flowerfull™ Smooth Hydrangea is a stunning, compact shrub known for its abundant blooms and sturdy stems. It yields two to three times more blooms per season compared to other *Hydrangea arborescens* varieties. Boasting strong stems that resist flopping in wind and rain, this plant keeps its bold blooms standing tall throughout the season.
