

# Limelight Hydrangea Tree

(*Hydrangea paniculata 'Limelight'*)

**Ornamental Tree**

**6' - 8' High**

**6' - 8' Spread**

**Growth  
Moderate**

**4 + Hours**

**Late Blooming  
Large Blooms**

**Zone 3 - 8**

Limelight Hydrangea Tree has large blooms that start white, turn to a chartreuse-lime green and fades to a pinkish red. The dark green leaves will turn to shades of yellow in the fall. It is a great focal point in any garden setting.
