Strawberry Sundae® Hydrangea

(*Hydrangea paniculata* 'Rensun' USPP25438)

Shrub

4' - 5' High

3' - 4' Spread

4 + Hours

**Striking Blooms
Summer Bloomer**

The Strawberry Sundae® Hydrangea is a great plant to add a multitude of colors in small spaces. The flowers emerge white in the summer, and then the blooms fade to pink and will continue changing throughout the fall. A great choice for foundation plantings or as a colorful hedge.

Zone 4 - 8
