

# bloomin' Toy Soldier™ Oakleaf Hydrangea

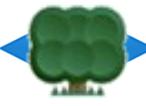

(*Hydrangea quercifolia 'Bocotoso'*)

**Shrub**

**4' - 5' High**

**4' - 5' Spread**

**0 - 4 Hours**

**Large Flowers**  
**Vibrant Fall Color**

**Zone 3 - 8**

Toy Soldier™ Oakleaf Hydrangea is a compact, well-structured shrub prized for its bold foliage and multi-season interest. Large, deeply lobed, oak-shaped leaves create a dramatic, textured presence in the landscape, providing a rich green backdrop through summer. In early summer, upright cone-shaped flower clusters emerge creamy white and gradually soften to blush pink as they mature.
