

# Canaertii Juniper

(*Juniperus virginiana* 'Canaertii')

**Evergreen Tree**

**20' - 30' High**

**15' - 20' Spread**

**Growth Moderate**

**4 + Hours**

Canaertii Juniper is prized for its soft, feathery texture and graceful, arching branches. The rich green foliage is accented by abundant silvery blue, berry-like cones that provide strong ornamental appeal and attract birds.

**Zone 3 - 8**
