

Blue Point Juniper

(*Juniperus chinensis* 'Blue Point')

Evergreen Tree

10' - 12' High

7' - 9' Spread

Growth Moderate

4 + Hours

Zone 4 - 9

The Blue Point Juniper has pyramidal form and large size making it a popular specimen for lawns, which accentuate its blue coloring. With its dense evergreen foliage, this Juniper makes excellent windbreaks if lined up hedge-style, cutting winter cold and summer heat effectively. It maintains its pyramidal shape with no pruning, but can be pruned to make it more of a formal accent piece.
