

# Wichita Blue Juniper

*(Juniperus scopulorum 'Wichita Blue')*

**Evergreen Tree**

**10' - 15' High**

**4' - 6' Spread**

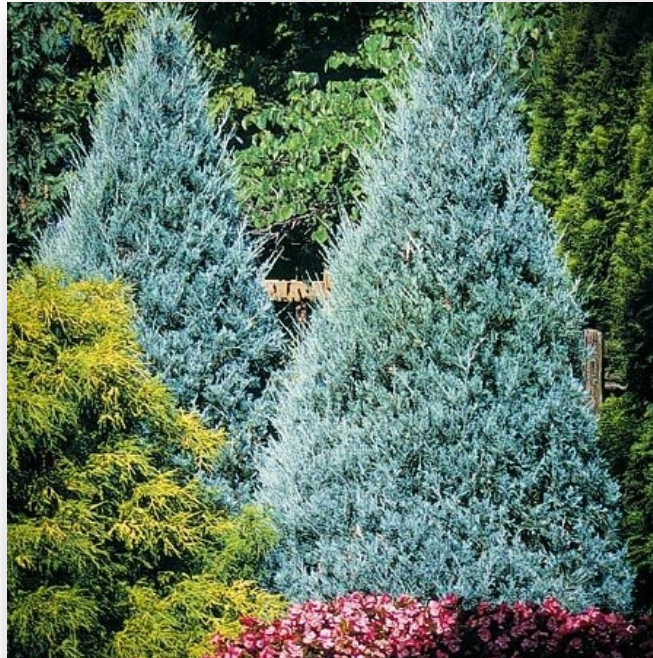

**Growth Moderate**

**4 + Hours**

**Zone 3 - 7**

Wichita Blue Juniper has bright silver blue foliage on upright branches. The blue color contrasts well with deciduous plants and other evergreens. A great choice for privacy or as a wind block.
