

Bottle Rocket Ligularia

(*Ligularia* 'Bottle Rocket' USPP24486)

Perennial

2.5' - 3' Tall

2' - 2.5' Wide

**Bloom Time:
Summer**

0 - 4 Hours

Zones 4 - 9

Bottle Rocket Ligularia is a great shady perennial for wet areas. It produces tall yellow flower stalks in the summer adding bright color to the landscape. Bottle Rocket Ligularia forms a mounding clump which can be split eventually. A great choice to add texture and color to any shady landscape.
