

Little Rocket Ligularia

(*Ligularia stenocephala* 'Little Rocket')

Perennial

2' - 4' Tall

2' - 3' Wide

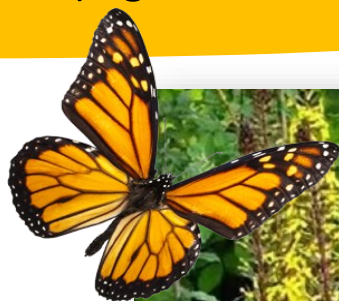

**Bloom Time:
Summer**

0 - 4 Hours

Zones 4 - 9

Little Rocket Golden Ray Ligularia is a great shady perennial for wet areas. It produces tall yellow flower stalks in the summer adding bright color to the landscape. Little Rocket Golden Ray Ligularia forms a mounding clump which can be split eventually. A great choice to add texture and color to any shady landscape.
