

Black Truffle Cardinal Flower

(*Lobelia cardinalis* 'Black Truffle' USPP25687)

Perennial

3' - 4' Tall

2' - 3' Wide

**Bloom Time:
Summer**

4 + Hours

Zones 5 - 8

Black Truffle Cardinal Flower is the darkest variety available. Foliage emerges nearly black and fades to maroon as the season progresses. Bright red flowers emerge around midsummer and provide excellent contrast with the foliage. Black Truffle Cardinal Flower will self-sow from seed.
