

Galaxy Magnolia

(*Magnolia 'Galaxy'*)

Ornamental Tree

30' - 35' High

15' - 20' Spread

**Growth
Moderate**

4 + Hours

**Spring Blooming
Vibrant Pink Flowers**

Zone 5 - 9

Galaxy Magnolia produces goblet shaped vibrant pink flowers in the spring before the foliage emerges. These fragrant flowers, with their enchanting aroma, are a sensory delight, captivating both the eyes and the nose. After the blooms fall glossy green leaves emerge and will turn yellow in the fall. Whether in full bloom or displaying its glossy greenery, the Galaxy Magnolia is a testament to nature's artistry.
