

# Royal Star Magnolia

(*Magnolia stellata* 'Royal Star')

**Ornamental Tree**

**10' - 15' High**

**10' - 12' Spread**

**Growth  
Moderate**

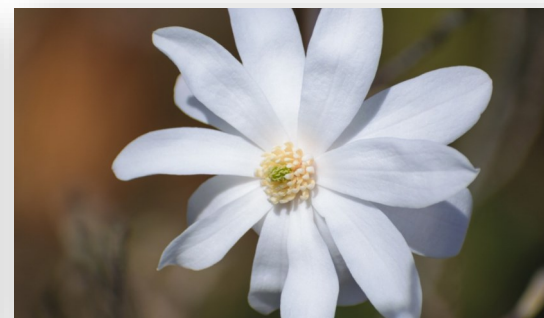

**4 + Hours**

**Spring Blooming  
Golden Fall Color**

**Zone 4 - 9**

Royal Star Magnolia is a spring blooming ornamental tree. Fragrant white flowers emerge on tree early spring before foliage appears. It has glossy green foliage throughout the growing season that turns yellow in the fall. A great choice to plant in smaller yards.
