

Ostrich Fern

(*Matteuccia struthiopteris*)

Perennial

3' - 5' Tall

3' - 4' Wide

Bloom Time:
N/A

0 - 4 Hours

Zones 3 - 7

Ostrich Fern is a graceful, fast-growing perennial fern valued for its dramatic, vase-shaped form and lush, bright green foliage. Its finely divided fronds emerge upright in spring, resembling soft ostrich plumes, and create a bold, architectural look in shady landscapes.
