Morning Light Maiden Grass is a magnificent ornamental grass that is cherished for its graceful and delicate appearance. Its slender, green leaves are edged with a thin strip of white that creates a striking and eye-catching contrast. In the late summer and fall, the plumes start out as a soft pink color before maturing to a captivating silvery-white color that shimmers in the sunlight. Morning Light Maiden Grass is an excellent choice for gardeners who are looking for a low-maintenance and versatile plant.
