

Variegated Maiden Grass

(Miscanthus sinensis 'Variegatus')

Perennial Grass

5' - 7' Tall

3' - 5' Wide

4 + Hours

With the two-toned foliage on this warm season grass the Variegated Maiden Grass is sure to add interest to an otherwise dull green landscape. Variegated Maiden Grass is an upright variety that will form feathery pinkish-red plumes. In the fall the foliage will turn a yellow-tan.
