

Coral Reef Beebalm

(*Monarda didyma* 'Coral Reef' USPP16741)

Perennial

2' - 3' Tall

2' - 3' Wide

**Bloom Time:
Summer**

4 + Hours

Zones 4 - 9

Coral Reef Beebalm is a tough, aromatic perennial that blooms throughout the summer. Its hot-pink flowers are an excellent contrast in any part of the garden. Can be planted in mass, in borders, or as a filler in the perennial garden.
