

Petite Delight Bee Balm

(*Monarda didyma* 'Petite Delight' USPP10784)

Perennial

14" - 18" Tall

18" - 24" Wide

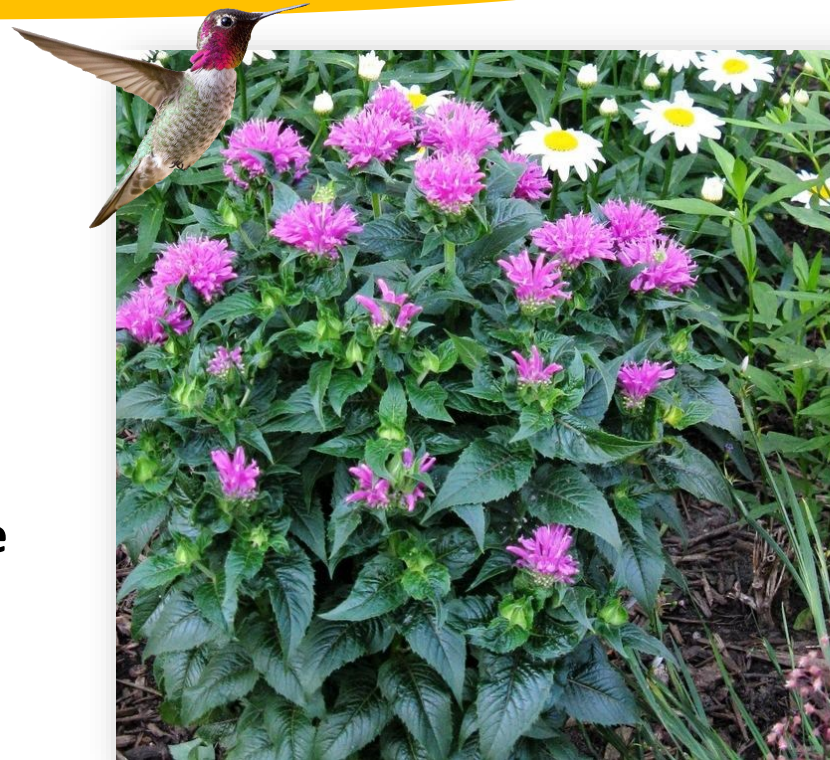

**Bloom Time:
Summer**

4 + Hours

Zones 2 - 8

Petite Delight Bee Balm produces lavender pink flowers in the summer. It is a dwarf variety staying under 2 feet tall. The deep green foliage is fragrant and attractive without flowers. A great choice to fill in a small space in a full sun area of the landscape.
