

Junior Walker Catmint

(*Nepeta x faassenii* 'Novanepjun' USPP23074)

Perennial

1' - 1.5' Tall

2' - 3' Wide

**Bloom Time:
Summer**

4 + Hours

Zones 5 - 9

Junior Walker Catmint is a dwarf variety of Catmint. It has greenish gray fragrant foliage. Lavender flower spikes emerge in the summer and bloom to early fall. A great choice for walkways or retaining walls in need of color.
