

Benjamin Franklin Peony

(*Paeonia lactiflora* 'Benjamin Franklin')

Perennial

2' - 3' Tall

2' - 3' Wide

**Bloom Time:
Late Spring**

4 + Hours

Zones 4 - 9

Benjamin Franklin Peony is a classic, herbaceous peony valued for its impressive blooms and reliable garden performance. In late spring to early summer, it produces large, fully double flowers packed with soft, ruffled petals in rich rosy pink to light red tones, creating a lush, old-fashioned look. The fragrant blossoms are held on strong stems above a mound of deep green, finely divided foliage that remains attractive throughout the growing season.
