**Perennial**

**1.5' - 2' Tall**

**1.5' - 2' Wide**

**Bloom Time:  
Late Spring**

**4 + Hours**

**Zones 2 - 9**

Kiev Peony is a refined herbaceous peony known for its large, full blooms that bring classic beauty to the spring garden. Its flowers open in soft shades of blush to rosy pink, with gentle variations of cream or slightly deeper tones near the center that give each blossom subtle depth and warmth. The rounded, layered petals sit on sturdy, upright stems surrounded by clean, deeply cut green foliage that remains attractive throughout the growing season.
