

Petite Renée Peony

(*Paeonia lactiflora* 'Petite Renée')

Perennial

2' - 3' Tall

2' - 3' Wide

**Bloom Time:
Late Spring**

4 + Hours

Zones 3 - 8

Petite Renée Peony is a charming, compact herbaceous peony prized for its abundant blooms and refined form. In late spring to early summer, it produces medium to large, fully double flowers in soft shell-pink tones with delicately ruffled petals that create a romantic, classic appearance. The lightly fragrant blossoms are well supported on sturdy stems above a dense mound of rich green, finely divided foliage that remains attractive through the growing season.
