

# Rome Peony

(*Paeonia 'Rome'*)

**Perennial**

**1.5' - 2' Tall**

**2' - 3' Wide**

**Bloom Time:  
Late Spring**

**4 + Hours**

**Zones 3 - 8**

Rome Peony is a majestic and dramatic perennial admired for its grand blooms and commanding garden presence. Bursting into flower in late spring to early summer, it showcases large, lavish blossoms in bold shades—often rich crimson, deep rose, or warm garnet—that evoke the opulence and strength associated with its namesake city. Each bloom is densely layered with velvety petals that create a full, luxurious form, held proudly on sturdy, upright stems that prevent flopping even in rain.
