

Boston Ivy

(Parthenocissus tricuspidata)

Vine

30' - 50' Tall

As Trained Wide

**Bloom Time:
N/A**

4 + Hours

Zones 4 - 8

The Boston Ivy has incredible adaptability. With beauty to match it's ingenuity, this ivy lends its name to the prestigious "Ivy League" colleges. This perennial vine thrives in full sun, but can easily get by on partial sun to nearly shade. This monster can grow to an impressive fifty feet. A classic look going back to the Victorian age. This climbing perennial will be sure to add depth and texture to any project.
