

# Midnight Masquerade Penstemon

(*Penstemon hybrid* 'Midnight Masquerade' USPP29603)

**Perennial**

**3' - 3.5' Tall**

**2' - 2.5' Wide**

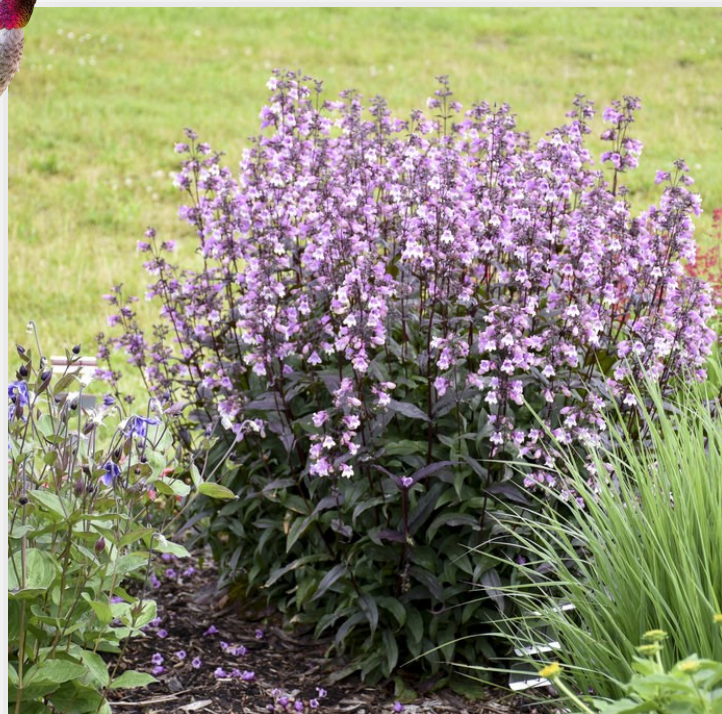

**Bloom Time:  
Summer**

**4 + Hours**

**Zones 3 - 8**

Midnight Masquerade Penstemon features deep wine-purple leaves that provide bold contrast in the garden, maintaining their rich color throughout the growing season. In early to midsummer, tall spikes of tubular, lavender-purple flowers with white throats rise above the dark foliage, attracting hummingbirds and pollinators with their nectar-rich blooms.
