**Perennial**

**14" - 16" Tall**

**20" - 24" Wide**

**Bloom Time:  
Summer**

**4 + Hours**

**Zones 4 - 8**

Bejeweled™ Rose Rhinestones Penstemon is a captivating perennial celebrated for its vibrant blooms and graceful form. This plant showcases tall spikes adorned with tubular, deep rose-pink flowers that shimmer with a jewel-like brilliance. Blooming profusely from late spring to summer, the flowers attract hummingbirds, bees, and butterflies, making it a favorite among pollinator-friendly plants.
