

# Miniature Snowflake Mock Orange

(*Philadelphus 'Miniature Snowflake'*)

Shrub

2' - 3' High

2' - 3' Spread

4 + Hours

Fragrant White Flowers  
Yellow Fall Color

Zone 4 - 8

One of the key features of the Miniature Snowflake Mock Orange is its white, fragrant double-flowers which bloom in late spring early summer. After the flowers are done blooming the foliage remains attractive and will turn yellow in the fall. This is a compact variety better suited for smaller landscapes.
