Shrub

4' - 5' High

3' - 4' Spread

4 + Hours

**Reblooming
Fragrant Flowers**

Zone 4 - 9

Pearls of Perfume® Mockorange is a compact, refined shrub celebrated for its profusion of pristine white, double flowers that resemble tiny roses. Flowering in late spring with additional blooms appearing intermittently through summer and fall, the flowers emit a rich, sweet citrus scent that fills the garden and draws in pollinators.
