

Amber Jubilee™ Ninebark

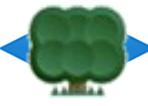

(*Physocarpus opulifolius* 'Jefam' USPP23177)

Shrub

5' - 6' High

3' - 4' Spread

4 + Hours

**Summer Bloomer
Aesthetic Foliage**

Zone 2 - 8

The Amber Jubilee™ Ninebark has beautiful foliage and exfoliating bark make this shrub a unique choice in the landscape. New foliage is red orange and fades to a rusty orange. Clusters of pinkish white flowers form in the summer. It can be used in hedge rows or as a specimen plant.
