(*Physocarpus opulifolius* 'LP1' USPP34993)

Shrub

6' - 8' High

6' - 8' Spread

4 + Hours

**White Flowers
Red Fall Color**

Zone 3 - 8

Savannah Sunset™ Ninebark is a compact, multi-season shrub prized for its dynamic foliage that emerges in warm coppery orange tones, matures to rich burgundy, and finishes the season with glowing red highlights. In late spring, clusters of soft pinkish-white flowers appear against the colorful leaves, attracting pollinators and adding a delicate contrast.
