

# Bacheri Blue Spruce

(*Picea pungens 'Bacheri'*)

**Evergreen Tree**

**15' - 25' High**

**6' - 12' Spread**

**Growth Moderate**

**4 + Hours**

**Zone 4 - 7**

The most vibrant blue of the blues spruces. Its slender habit and upward angled branches make it a great choice for smaller yards. It is a grafted variety that will only grow to around 20 feet tall. It can be planted as a specimen or as a wind block.
