

# Big Berta White Spruce

*(Picea glauca 'Big Berta')*

**Evergreen Tree**

**10' - 12' High**

**5' - 6' Spread**

**Growth Moderate**

**4 + Hours**

**Zone 2 - 6**

Big Berta White Spruce is a robust evergreen valued for its dense branching and strong, upright pyramidal form. This improved white spruce develops rich blue-green needles that hold their color year-round and create a full, symmetrical appearance from top to bottom.
