

Whiskey Blue Hills Spruce

(Picea glauca 'Whiskey Blue Hills')

Evergreen Tree

25' - 30' High

8' - 10' Spread

Growth Moderate

4 + Hours

Zone 5 - 8

Whiskey Blue Hills Spruce is a blue selection of the Black Hills Spruce. A very hardy evergreen in Iowa and a great alternative to the Colorado Blue Spruce. Great choice for a specimen tree or as a wind block/privacy screen.
