

# Blue Shag Pine

(*Pinus strobus* 'Blue Shag')

**Shrub**

**2' - 4' High**

**2' - 4' Spread**

**4 + Hours**

**Blue/Green Needles  
Compact Form**

**Zone 3 - 8**

Blue Shag White Pine has gorgeous bluish-green foliage. The needles are highly ornamental and keep bluish-green color throughout the winter. A great selection for a dry area without a lot of space.
