

# Stowe Pillar White Pine

(*Pinus strobus* 'Stowe Pillar')

**Evergreen Tree**

**20' - 25' High**

**2' - 6' Spread**

**Growth Moderate**

**4 + Hours**

Stowe Pillar is valued in the landscape for its rigidly columnar form. It has bluish-green evergreen foliage which emerges creamy white in the spring. The needles remain bluish-green throughout the winter.

**Zone 3 - 8**
