

# Tannenbaum Mugo Pine

(*Pinus mugo* 'Tannenbaum')

**Evergreen Tree**

**12' - 15' High**

**10' - 12' Spread**

**Growth Moderate**

**4 + Hours**

**Zone 3 - 8**

Tannenbaum Mugo Pine is a compact, well-structured evergreen known for its dense branching and classic conical to rounded shape. Short, sturdy needles emerge a deep green and hold their color beautifully throughout the year, giving the plant a polished, full look without the need for regular pruning.
