

Mango Tango Potentilla

(*Potentilla fruticosa* 'Uman' USPP12258)

Shrub

1.5' - 2' High

1.5' - 2' Spread

4 + Hours

**Vibrant Blooms
Compact Shrub**

Zone 2 - 7

Mango Tango Potentilla has deep yellow flowers with orange-red centers. Masses of blooms provide vibrant color for an extensive period, from late spring until fall. A compact shrub that works well as a low border or hedge, along walkways, or for mass or foundation plantings.
