

# Pink Flair® Cherry

(*Prunus sargentii* 'JFS-KW58')

**Ornamental Tree**

**20' - 25' High**

**12' - 15' Spread**

**Growth  
Moderate**

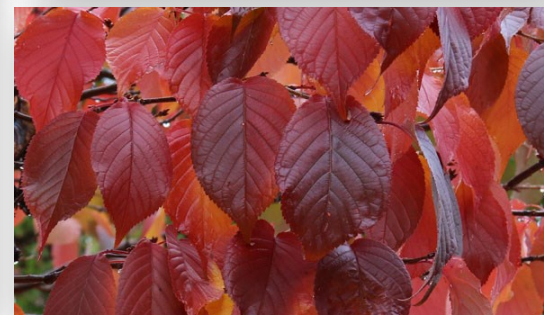

**4 + Hours**

**Spring Blooming  
Brilliant Fall Color**

**Zone 5 - 8**

Pink Flair® Cherry is an attractive ornamental tree with a beautiful display in the spring. The blossoms, like cotton candy clouds, impart a sweet fragrance that delicately perfumes the surrounding air, turning any garden into a fragrant oasis. The foliage emerges red in the spring and fades to a deep green as the season progresses. The leaves then turn a beautiful scarlet-orange in the fall.
