

# Snow Fountains® Weeping Cherry

(*Prunus x 'Snofozam'*)

**Ornamental Tree**

**8' - 15' High**

**6' - 12' Spread**

**Growth  
Slow**

**4 + Hours**

**Spring Blooming  
Weeping**

**Zone 4 - 8**

Snow Fountains® Weeping Cherry has natural weeping branches which are covered in beautiful white flowers in the spring. It has rich green foliage that turns a yellow-orange in the fall. A great choice for a specimen plant or focal point in the yard.
